What do we do?

At the Neighbourhood, you'll find delicious food at low prices for our Neighbours. Our facilities offer ample space to find relaxation amongst your peers. Come join us and revel in the luxuries of your Neighbourhood.

When do we do it?

The Neighbourhood space is open every day of the week from 8am until 2am. Our kitchen serves meals from 8am-3pm for breakfast and lunch and from 5pm-10pm for dinner. Our bar has limitations, but something will always be pouring from our taps or kettles.

Where are we?

Find us where the people gather! We currently have two locations in Den City* and in Pallet Town*. *will be linked

Why?

Because we understand the need for community should not be limited by one's wallet. We ask our neighbours take responsibility for their space in the Neighbourhood and in turn, the Neighbourhood supplies them with that space. Our aim is to provide a space to be with others or to be with yourself; whomever you're with, you belong.
