2. about.htm (About Us)

Our History: The creator of our business, Udayveer started with a small café about 5 years ago post finishing his education in culinary arts and working in an esteemed restaurant in Vancouver for 3 years to learn the business. His vision and tireless work ensured that the small café grew into a mid-sized establishment that patrons enjoy

today. Udayveer has always been curious about creating new recipes and introduce new items in the menu and has never been the one to rest on his laurels. This is why the café is called ‘Your Café’ because we believe that it is truly for you and we are here to make every visit of our customers’ a memorable experience.
